► The Corona Nest Of Tables made of solid pine wood offers excellent value for money. The Mexican influence in the design and style creates a range of furniture that would be at home in a variety of settings. Our pine furniture products are stained to reproduce the classic look of mexican pine furniture with the wood being protected by a light wax. Metal fittings are used throughout this range and only further compliment the looks of this stylish furniture.

► The Corona nest of tables are a must have in any lounge, they are well proportioned and offer a selection of handy surfaces, these are a great example of rustic mexican furniture and represent excellent value for money.

► Made from solid scandinavian pine wood, this cute little collection is the perfect addition to any communal room. Each table fits snugly under the next, saving space, while presenting a host of potential uses.

► Complemented with distressed markings, simple in style, with its clean lines, it will match most décors. In addition, its strong design and durable distressed waxed pine finish mean it will stand up to anything.

► Please note that the wood colour may vary slightly from that shown in the picture.
